

Jr.K - Grade 8 Family Tuition Form 2019-2020

Dear Parents/Guardians,

The Finance Committee of the school is charged, in part, with preparing the school budget each year. This committee worked very hard to keep all costs that would impact the tuition for the 2019-2020 school year to a minimum. The need to provide up-to-date resources for our students and provide them with the latest in best teaching practices, along with the increasing cost of benefits, necessitates a small increase in tuition. For the 2019-2020 school year, the Catholic Student tuition for Kindergarten through Grade 8 will be \$7,995 with a mandatory book/field trip/hot lunch fee of \$400 per child, to be paid via TADS (online tuition management). This is a \$120 increase in tuition; fees remain the same. The non-Catholic Student tuition will be \$10,095 with a mandatory book/field trip/hot lunch fee of \$400 per child, to be paid via TADS. Tuition for the full day Pre-K program will be \$9,495 and \$5,810 for the morning program.

In order to receive the Parish assistance for each additional child up to \$2,000 per child, you were to apply through TADS in order to be considered for any tuition assistance for each additional child. This means that if you did not apply for assistance through TADS, you will not be eligible to receive further Parish assistance. You will need to pay the same rate for each child in the family.

In the past, some parents opted to pay the actual cost to educate a child (\$9,960) with the difference in money between that actual cost and the tuition cost for the child being donated to our Sponsor-A-Student Program (SAS), which assists families with financial challenges. If you pay the actual cost, then that difference of \$1965, or any amount you give over the actual tuition cost, can all be used for our SAS program.

To register your child(ren) and to determine your family obligation for the 2019-2020 school year, please complete the enclosed form(s) and **return it by May 31, 2019** along with payment of the \$300 per family re-registration fee (if not previously paid).

Note that in addition to the tuition and fees detailed above, each family is required to meet a \$370 annual fundraising obligation by participation in fundraisers sponsored by the Home School Association throughout the school year or by a direct payment at the end of the school year.

Sincerely yours,

Rev. Joseph Calis
