

New Student Referral Program

Earn up to \$1,000 in Tuition Credit!*

Many of our families initially hear about St. John the Evangelist School through a personal referral from an existing school family. Now we want to reward you for promoting our school to your family and friends! Through our **New Student Referral Program**, your family can receive a **\$500 tuition credit** for referring one new family or a **\$1,000 tuition credit** for referring two new families.

Here's how it works:

- The New Student Referral Program is open to all parents or legal guardians with JrK through 8th grade students enrolled at St. John the Evangelist School, and teachers and staff from St. John the Evangelist School.
- Tuition credit awards will be given for referring **new families** to the Kindergarten through 8th grade of school. To qualify for the incentive, referred students cannot have a sibling currently or previously enrolled in St. John the Evangelist School.
- To qualify, referrals must be acknowledged during the initial contact with the school. **To receive tuition credit, the Referring Family must ensure that the Prospective Family submits the Referral Form included in the New Student Application Packet.**
- All new students must meet standard enrollment criteria.
- Tuition credits will be applied in October for students starting at the beginning of the school year. Credits for students starting through the end of December will be applied one month following the start date of the referred family. Tuition credit for students starting between January and May will be applied in October if the student remains enrolled at St. John the Evangelist School the following school year.
- Families who paid their tuition in full, and teachers and staff making referrals, will receive an incentive check equal to the amount of the tuition credit.

*Each St. John the Evangelist School family can be awarded up to two referrals per school year for a maximum of \$1,000 in tuition credit. The New Student Referral Incentive Program is subject to review and modification. Interpretation of program parameters will be at the discretion of the Principal.
