Catholic Schools Week (January): Catholic Schools Week (CSW) is a national campaign held each year to highlight and celebrate excellence in Catholic Education, as well as the best kept secret in mentoring—the kids think they get a bunch of time “off” from school to participate in all of these fun events, without realizing all of the great mentoring, public speaking, and performing arts skills they are actually working on! Volunteers are needed to serve as Captains to facilitate planning and flow of the below listed activities. POC: Mrs. Durney, email: mdurney@sjte.org

- **Senior Citizens & Grandparent Appreciation Mass & Breakfast:** Kicks off the entire CSW. Following Mass where parish senior citizens are honored and celebrated, an appreciation breakfast takes place in the auditorium. Volunteers are needed to coordinate RSVPs and for set-up, assistance in the kitchen and clean-up.
Volunteers needed: 10
- **Teacher Appreciation Days:** Parents provide special meals and lunches for the faculty each day of CSW. The eighth-grade parents provide a special themed lunch on the final day of the CSW.
Volunteers needed: 4
- **Student Appreciation Lunch:** A nice lunch is provided to the students celebrating all their hard work over the first half of the year. Traditionally, rigatoni is served and the students all eat together in the auditorium.
Volunteers needed: 5
- **Student Appreciation Day:** A day of fun and games is planned—Eighth-graders, who coordinate a theme with Mrs. Durney, teach students in all the even-numbered grades a song in voice and American Sign Language, a dance routine, and cheers. Seventh-graders do the same for the odd-numbered grades. The Evens compete against the Odds in events, scoring extra points for good attitude and sportsmanship.
Volunteers needed: 15

Confirmation Reception (March; HOSTED BY SIXTH-GRADE): Sixth-grade parents needed to plan, coordinate, and execute set-up, serving, and clean-up at a post-Confirmation Mass reception in the school auditorium.

Mulch Madness (Spring): A great fundraiser and community tradition each spring at SJE! Purchase or arrange for friends and neighbors to purchase mulch, and \$1.50 of each bag you sell/broker will go towards your fundraising obligation. Mulch is delivered in bulk to SJE and volunteers are needed to deliver orders to local homes, which is always an incredibly fun day of working together with other parents and students.

Chairs: Chris Desrocher, email: cdesrocher@verizon.net or sje.mulch@gmail.com and Charlie Johnson
