What do Pack 466 Cub Scouts Do?

We build & launch rockets, go on hikes, identify snakes, go fishing & crabbing, go family camping, experience local history, use pocket knives, make S'Mores, attend Summer Day Camp (archery, air rifles, sports, nature, crafts), build and race pinewood derby cars, help our community, and more!

We will meet 1 Tuesday evening per month from 6:30-8pm at SJE
and will have 1-2 weekend outings per month.
