The mission of St. John the Evangelist School is to integrate Catholic philosophy with academic excellence.

MESSAGE FROM THE PRINCIPAL

Dear Families and Friends,

I hope you all had a blessed and relaxing Easter Break. Now that we are back, there is the big push to the end of the school year. The third quarter ends on Friday. It is hard to believe that the time has passed so quickly, although I am reminded of it daily when I see how your children have grown, physically, academically, socially, and spiritually.

During this Easter Season, our 8th graders will be confirmed and our 2nd graders will receive their First Holy Communion. It is wonderful to belong to a community where we can celebrate these milestone events.

This Spring season is also a time of renewal, and that includes our Mother Earth. Even though the students don't like to stay inside for recess when it is raining, the rain is a promise of beautiful things to come. I can hardly wait to pick up my plants I ordered in the SJE Spring Plant Sale.

And speaking of blooming, there are a few late-bloomers when it comes to registering your children for next school year. Classes are almost full, so if you haven't completed the re-registration process, please do so at your earliest convenience.

Attached is a summary sheet of the dates for next school year so you can start planning your vacations, etc.

I wish you all happy, sunny, warm days to come.

Sincerely,
Margaret Durney
Principal

CHILD PROTECTION TRAINING

For the protection of all of our children, SJE policy follows the Archdiocese of Washington Child Protection Program, VIRTUS. Parents and guardians must be cleared through VIRTUS in order to fulfill their Lunch & Recess Duty requirement, serve as chaperones on field trips, attend class parties and functions at school, and volunteer for extracurricular activities such as Scouting and CYO.

If you are a new parent or a returning parent who hasn't completed VIRTUS, please see the instructions here: <http://www.sjte.org/pdf/hsavirtus201617.pdf>
