### ***MESSAGE FROM THE PRINCIPAL***

Dear Families and Friends,

The Psalms tell us to “Make a joyful noise unto the Lord.” Well, the SJE school band did just that last night. From the Beginning Band to our solo artists, and ending with our talented Advanced Band, the night was filled with marches, popular songs, and even a little seasonal tune! We also honored some special parents for their dedication to the school and said goodbye to this year’s HSA officers.

The school year is rapidly coming to an end, and it is starting to show in the children. Although they are always a pleasure to see every day, some of them are beginning to forget their good study habits. I ask each of you to help us keep them focused for just a little longer, particularly the 7<sup>th</sup> and 8<sup>th</sup> graders.

For now, in grades 3 through 8, Spanish classes have been supervised study periods. We will offer extra math help, time for projects, quiet reading time, time to do homework, and even some lessons in organizational skills.

Be sure to save the date on Saturday, May 19 for the Parish Picnic. It will be held at the Historic Church on Rosensteel Ave. There will be games, good food, and camaraderie.

As summer approaches, you will be happy to know that Vacation Bible School (VBS) is a go! The team is being assembled, leadership is in place, and more details are forthcoming. Be sure to save the dates of July 23-27.

May you have a restful weekend.

Sincerely,  
Margaret Durney  
Principal

### **IMPORTANT NOTICE:**

## ***CHILD PROTECTION TRAINING***

For the protection of all of our children, SJE policy follows the Archdiocese of Washington Child Protection Program, VIRTUS. Parents and guardians must be cleared through VIRTUS in order to fulfill their Lunch & Recess Duty requirement, serve as chaperones on field trips, attend class parties and functions at school, and volunteer for extracurricular activities such as Scouting and CYO.

If you are a new parent or a returning parent who hasn't completed VIRTUS, please see the instructions here: <http://www.sjte.org/pdf/hsavirtus201617.pdf>
